A Chartered Society
since 1963

Membership

SDC is the world's leading independent educational charity dedicated to advancing the science and technology of colour.

Membership is at the heart of SDC, with over 2,000 members in 50 countries worldwide, from textile artists to designers and colour technologists to educators. We have a range of membership types to suit everyone:

- Professional membership for those trained in a colour-related discipline
- Individual membership for anyone with an interest in colour
- College membership for universities and colleges offering science or fashion/design based courses
- Corporate membership for companies requiring access to membership benefits for multiple employees
- Student membership (online only) for full-time students on a colour-related course

Why you should join

Join today and enjoy the prestige of being a member of the world's only professional, chartered society dedicated to advancing colour knowledge and education. With over 125 years of experience, we can help you get the most out of the coloration industry. Membership will give you access to:

- Knowledge – our unique, specialist colour resources
- Networking – with other colour professionals
- Career development – through training, qualifications and continuing professional development
- Standards – representing our members' interests worldwide in developing international standards in colour fastness and the colour measurement of textiles

How you will benefit

Members have access to a package of benefits (which varies for each membership type) and includes:

- Our unique online knowledge vault and other resources such as podcasts
- Members' forums and our social networking platforms
- Our quarterly members' magazine *The Colourist*
- A technical training session (corporate members only)
- Eligibility to apply for bursaries, awards and medals
- Access to SDC's Professional Coloration Qualifications and CPD
- Discounted journals and books
- Discounted rates at SDC's international events programme and access to free events
- Access to SDC training – developed for the textile coloration industry
- Access to technology transfer projects
- A Colour Experience presentation (college members only)
- Plus regular news and updates from the coloration industry

Access to SDC's work on standards in relation to colour fastness and the colour measurement of textiles.
